

ALFONSO OJEDA

VISUAL SOLUTIONS EXPERT

I'm a specialist in visual solutions and multimedia system management with experience in international events. I've played diverse roles, from concerts to corporate events. Throughout my career, I've aimed to innovate and exceed expectations in every project. With roots in Mexico, experience in the Middle East, Asia, Latin America, and the USA, I bring a multicultural perspective and an adaptive approach to every challenge.

WORK EXPERIENCE

MEDIAPRO AV - COORDINATOR AND OPERATOR OF DISGUISE SERVERS FOR THE MIDDLE EAST AND ASIA - 2021 - PRESENT

I was responsible for project location, preparation, and maintenance of d3 servers.

Managed logistics and assembly, ensuring the proper acquisition of materials.

Served as the primary liaison with logistics departments and oversaw the dispatch of fully assembled servers.

Acted as the media operator and video engineer for several projects as:

MDL Soundstorm - Dance Stage - System Engineer (2021, 2022)

Gitex 2022: Abu Dhabi Stand - Media Server Operator

NEOM 2022: Media City Inauguration - Media Server Operation

DIMDEX 2022: Media Server Operation

IAC QATAR - HEAD OF VIDEO - 2019 - 2020

Managed and monitored pre-production planning for video equipment and content on-site.

Delivered high-quality products and services, anticipating customer needs and requests.

FREELANCER - 2013 -2019

Working in Mexico and the USA as a Video Engineer and Content Manager for Ricardo Montaner and Pepe Aguilar.

Latin America and UAE as a Senior media server operator on touring concerts, mapping, and corporate events.

Pepe Aguilar, Touring 2018 - Video Engineer.

Nuestra Belleza México, 2016 - Live Broadcasting - Disguise Media Programmer.

NIZA PRODUCCIONES - 2006 - 2013

Video facility and operator with Arkaos, Dataton Watchout, and Resolume Server.

Working on Concerts, Corporate, and Mapping Shows.
